

Van Gogh Painting Experience for Corporate Teams

Sunflowers, Self-Portraits & More

Inspire creativity, collaboration, and fresh perspectives with an engaging Van Gogh Painting Experience designed specifically for corporate teams.

During this interactive 2-hour workshop, participants will create their own Van Gogh-inspired masterpiece while exploring the techniques, colours, and expressive style of one of the world's most celebrated artists. Guided by a professional artist and experienced art tutor with a Master's degree in Art and Art Theory, guests will discover how Van Gogh transformed everyday subjects into extraordinary works of art and learn to apply these principles in their own creative process.

This hands-on experience is suitable for all skill levels—no previous painting experience is required. The workshop encourages creativity, mindfulness, and team engagement in a relaxed and inspiring environment.

The workshop is highly flexible and can be hosted at your corporate office, at the artist's studio in Amsterdam, or at another venue of your choice. For on-site sessions, all painting materials, equipment, easels, and protective supplies are provided, allowing participants to focus entirely on the creative experience.

What to expect:

- An engaging introduction to the life and work of Vincent van Gogh, presented through the lens of art practice and art theory.
- Expert guidance from a professional artist, experienced art tutor, and holder of a Master's degree in Art and Art Theory.
- Instruction in Van Gogh's distinctive brushwork, colour palette, and artistic techniques.
- The opportunity to create a personal Van Gogh-inspired painting, such as sunflowers, a self-portrait, or another iconic motif.
- A fully facilitated, hands-on creative experience suitable for beginners and experienced participants alike.
- All materials, equipment, and setup provided.
- Each participant leaves with a completed artwork to take home.
