## DOES THIS SOUND LIKE YOU?

- ✦ You feel like you're always fighting your circumstances, nothing comes easy.
- ✦ You crave peace & harmony but somehow end up being at war with yourself & others.
- ✦ You're going through or recently gone through a major life transition that left you feeling wobbly & out of place.
- ✦ You feel stuck & unable to shift the needle even though you've tried so many self-help methods.
- ✦ You're being worn down by misaligned work/relationship/friendships/living situations.
- ✦ You're seeking a new method to growth & healing that is integrated & holistic. All in one place.
- ✦ You want to work with someone who offers you practical tools while also understands energetic law.
- ✦ You want to trust yourself & your intuition in making aligned decisions.
- ✦ You always feel like you never know enough or are never enough to do the thing you desire.
- ✦ You are ready to take responsibility for how your life turns out.
- ✦ You want to deepen your spiritual practice by learning new ways to heal yourself.
