

A woman with dark, curly hair is smiling and looking towards the camera. She is wearing a patterned top and a necklace. The background is a mix of soft, out-of-focus colors. Overlaid on the image are several large, flowing, translucent shapes in vibrant colors: a red shape in the bottom left, a blue shape in the bottom right, and a green shape at the top. The text is overlaid on the left side of the image.

MAKE AN IMPACTFUL
IMPRESSION
WITH YOUR VOICE**

**YOUR VOICE – YOUR HIDDEN
INSTRUMENT TO SUCCESS**

UNLOCKING POTENTIAL...

Elements of Personal Communication

- 7% spoken words
- 38% voice, tone
- 55% body language

- **Did you know that spoken words rated ONLY 7% in elements that made up impactful communication?**
- Having a good voice or even good content is not as important as knowing how to use these to maximize impact and make a lasting impression!
- Want your employees to speak authentically, authoritatively, present powerfully, be taken more seriously and make a bigger impact in personal and corporate presentations, calls and conferences?
- There's a growing demand for media savviness or presentability in the current social media heavy environment both on and off screen...
- Do your employees have great potential, but are perhaps self-conscious about the way they come across or sound and are holding themselves back because of their reluctance to project themselves or their opinions publicly?
- Then this mini workshop is designed to unlock your rising stars' hidden potential...by tapping into the power of their own unique
