

GRACE SAVAGE

4 x UK Beatbox Champion.

Interactive music sessions with 15+ years experience

About The Workshop

Beatboxing is the art of creating music and rhythm using only your voice. These high-energy, fully interactive workshops inspire creativity, boost confidence, and give students practical rhythm and listening skills – all while having fun.

Led by

Grace Savage – professional beatboxer, singer, and music educator with 15 years' experience delivering workshops in schools across the UK, Grace has taught thousands of students of all ages and abilities, from KS1 to KS5.

Key Benefits for Students

- Improves rhythm, listening, and timing
- Builds teamwork and confidence
- Encourages creative expression
- Links to music, performing arts, and PSHE curriculum
- Engages even the most reluctant learners

Workshop Formats

- Single sessions: 45–60 mins (up to 30 pupils)
- Half-day or full-day programmes: multiple classes or year groups
- Assemblies: engaging whole-school performances

“
It was fantastic. She was of such a high standard and had a great mix of listening to her and getting the kids to join in! The children and staff alike were blown away!”

Soundstorm Primary
School tour, Dorset
